thoroughly. The Colonel advised that the Chairman of the Board or one other member be authorized to at all times consult with Captain Berger as to the work of the band. On motion of Lucas, seconded by Moore, the band was placed in the charge of Chairman Smith.

A resolution, offered by Moore, was adopted, authorizing the Treasurer to deposit County money with Bishop & Co., the Bank of Hawaii, Claus Spreckels and the First National.

Supervisor Lucas drew attention to the condition of the roadway opposite the Inter-Island wharves. He thought it would cost about \$1000 to put the road in proper condition; an old building on Queen street would have to be torn down. He was for at once advertising the building for sale at auction and using the proceeds for the road improvement. The building was by rights the property of the County, being in the public highway. Chairman Smith appointed Supervisors Lucas and Archer to see the Superintendent of Public Works and find out

MAY HAVE POLO TEAM

OAHU WILL REVIVE THE ISLAND SPORT

MEETING OF ENTHUSIASTS HELD YESTERDAY—FIFTEEN AVAILABLE PONIES—EFFORT TO ORGANIZE.

Oahu will be back in the hunt for the island polo championship this year, from present prospects. The champion cup, won two years ago but lying idle last year, will be defended next September, if preliminary plans laid by polo enthusiasts yesterday afternoon do not go amiss. Partly on the number of men who will turn out for practice and partly on the number of good ponies that can be put in shape between now and September will depend Oahu's chances of winning from Maui and Kauai.

The polo men met yesterday afternoon in the offices of Atkinson, Judd and Mott-Smith in the Judd Building. The meeting was purely informal, devoted to a discussion of Oahu's chances but enough developed to assure at least a determined effort to put a team in the field.

More than fifteen experienced ponies were named which after eight weeks' training can be put in the field, and several new ones were mentioned. It was stated that Maui and Kauai would probably object to limiting the number of horses, but that very likely tentative periods can be agreed upon. Maui and Kauai will have the pick of the ponies this year, and will make unusual efforts to lift the cup.

Several of the polo men have already done a little practice. Next Saturday afternoon a number will get out on the field and knock the ball around. Oahu men feel that it's up to them, as now holding the perpetual challenge cup, to put out a team that will defend it. This feeling was put in the form of a resolution, passed unanimously, expressing the sentiment of the meeting as favoring an earnest effort to organize a polo team for the island tournament.

who claimed ownership of the building. Road Supervisor Johnson said he did not know how much it would cost to put the road in condition, but he had already ordered a gang of men to start work there this morning. This would not in any way interfere with any other work which had been authorized by the Board of Supervisors. He was able to work with his men at the present time on five different roads. Adams thought it advisable to complete those road jobs which had been already half or more than half completed before starting in on new work. C. L. Wright called upon for an opinion, said that the work on the city front was most urgently necessary, where one buggy passed over up-town roads twenty drays passed over the waterfront thoroughfare. Moore thought it would be a saving of money to first finish work already under way.

Adams doubted if ordinary construction would meet the needs of the road on the city front under discussion. The matter should be studied carefully and the most durable kind of road constructed.

Chairman Smith appointed Supervisors Archer, Moore and Paie a committee to arrange for a County seal. The matter of keepers of parks came up for discussion. Road Supervisor Johnson said he had nothing to do with them. The Board will ascertain the names of the present keepers of the various parks. Some changes may be made.

Sheriff Brown announced that the Board of Health was fumigating the police station and thereby destroying mottos, etc. He thought he would be able to put things in order again without going outside of his appropriation. Moore suggested that the Board of Health make good any damage done.

"The Board of Health has great powers," remarked the Chair.

At 9 o'clock the Board put in a little time on the consideration of rules of procedure.

Sam Johnson gave the following figures in his statement for the garbage bureau:

Number of patrons paid to June 30, 894. Realization, \$1217.70.

On motion it was ordered that a copy of the communication be filed and the original handed to the Auditor.
